# GOING WITH THE TREND, JSLH SC ORGANISES 'BARBIENHEIMER'

Keeping track on the trends of the world, the JSLH Student Council conducted “Barbienheimer”, a cross between the two most popular and important cinematic pieces doing the rounds now. Students were encouraged to dress up as either Barbie dolls or historical figures related to science,

such as J. Robert Oppenheimer. We had set up a photo booth with Barbie and Oppenheimer-themed props where students could take pictures and share their experiences on the social media. The addition of light music, mood lighting, and dance performances made the night memorable for all involved!

## JSPC welcomes freshers to the party

The JSPC Student Council recently organised an event for the freshers in collaboration with the Psychological Society Initiative. The events included A Bollywood Night and An Arcade Night open to all freshers. Everyone danced to the latest bollywood tunes and played house-party games such as Flip the Cup etc! The event was a great success, and they look forward to hosting more events in the upcoming months!

## ALUMNI NEWS

Few JGU students who have done exceedingly well in various fields

"I have been associated with Chandrayaan-3 Payload Project in the capacity of Deputy Project Manager at SAC, wherein I contributed towards Payload Budget, Schedule and Logistics Management," says Gourav Bapna, JGBS alumni.

"Jindal Global Law School has served as an invaluable catalyst for my personal and professional growth... Recently, I have had the distinct honour of being offered a partnership at the esteemed law firm, AKS Legal, led by Senior Advocate and Member of Legislative Assembly, A.S. Ponnanna," says JGU Alumni Abhishek Janardhan.

"Currently, I am practicing as an Advocate in both the Delhi High Court and the Supreme Court of India, harnessing my in-depth knowledge and skills in the legal field," JGU Alumni Arnav Mittal.

## JSIA student council organises masquerade ball

With the onset of the new academic year, the JSIA Student Council welcomed new students in the form of a masquerade ball. An evening saw students socialisation with each other, dancing, chatting and creating a whole lot of memories. "The biggest take away from this event, aside from it being a breather between their

"The biggest take away was to interact and mingle with everyone" rigorous academic schedules was to interact and mingle with everyone across classes, batches, courses: it's the people, their experiences and visions that make JSIA one big family," says Uttara Iyer.

# Few cozy homes for our furry friends on campus

The Office of Student Affairs, in association with JSAA Student Council and Animal Welfare Society, conducted a three-day Dog House Building Workshop at the JSAA Fabrication Lab.

In this hands-on session, students across the university learnt how to design, construct and customize a comfortable and functional

house for their furry friends.

The workshop, led by experienced faculty coordinator, Mr Kapil Sharma, proved to be an engaging and insightful. "It was amazing to work through the day and finally coming up with something so amazings for the campus dogs. We not just enjoyed but learnt a lot too," says JGLS student Abhishek S. Biradar.

# All smiles!

Glimpses of the 12th Convocation and Founder's Day Ceremony held on 7th Aug 2023. More than 2700 students received their graduation degrees at the ceremony. A big congratulations to the Graduating batch of 2023!

# Enthralling evening of music with Ricky Kej

Renowned for his exceptional musical prowess and a remarkable list of achievements, including three Grammy Awards, Ricky Kej took the centre-stage at O.P. Jindal Global University for a musical evening.

Helmed by the vocal and instrumental talents of his crew, including Kartik Mani, Sudhir Yadhuvanshi, Siddharth Basrur and others, the performance highlighted the importance of conservation of nature.

Mr Ricky has earlier performed at venues in over 30 countries including at the United Nations headquarters in New York and Geneva. Most recently, 27 of his songs on sustainability are featured in more than 2 million school textbooks to teach young students the importance of environmental consciousness.
