JGU student secures No. 1 rank in National IP Olympiad

Jappan Kaur

Jappan Kaur, JGU student from the 2020 batch of B.Com. (Hons.), received 'All India Rank 1 in Domain for BBA/MBA Category in the National IP Olympiad' organized by Intellectual Property Talent Search Examination Academy. She wrote the exam with many registered aspirants

from several colleges and universities in India enrolled in undergraduate and post-graduate degree programmes.

"I always dreamt of getting an all India rank in similar event. So I guess my hard work paid off and I was successful in achieving my dream," says Ms Jappan.

STUDENTS' CORNER

'WE PLAN TO ENSURE INCLUSIVITY FOR ALL'

Khushi Ghai, Cultural Secretary of JGBS Student Council, talks about the plans for the ongoing session

What are your plans for this semester as the Cultural Secretary of JGBS?
My goal is to broaden the scope of activities and events beyond our school community. To kick-start the semester, we hosted "Hearts up your Sleeves," which embraces inclusiveness in celebrating both love and friendship. In March, JGBS plans to host a management fest "VANIJYA" open to all schools, allowing students to showcase their managerial skills.

How do you plan to cater to such a diverse student representation at JGU?
Collaborating with different clubs at JGU fosters a huge part of the student body, giving opportunity to JGU students to participate, engage and volunteer for a range of events. This would ensure inclusivity of everyone.

Your message for students?
As your Cultural Secretary, I'm hoping to make this semester one to remember! With a host of exciting events and activities in the pipeline, there's never been a better time to get involved and make the most of your time at JGU.

JGU STUDENTS EXCEL IN SPORTS TOURNAMENT

JGU teams have shown exemplary stamina, courage, and sportsman in various sports to win numerous medals

The JGU Sports contingent participated in the Udghosh Sports Tournament at IIT Kanpur, Uttar Pradesh, held from 14th-16th October, 2022, and performed exceedingly well. Some of the best Indian universities participated in the event.

JGU teams have shown exemplary stamina, courage, and sportsman in various sports to outshine other contingents. The teams winning Gold medal were Basketball Women, Football Men, Squash Women, Kabaddi Women, and Powerlifting; Silver was won by Football Women, Lawn Tennis, Cricket Men, and Hockey Men; Bronze medal was won by Basketball Men.

In Athletics, Gold medal was won in 100m Men, Silver in 100m Women, High Jump and 4X100 Women, and Bronze in 100m Women. Congratulations to all of you.

ALUMNI NEWS

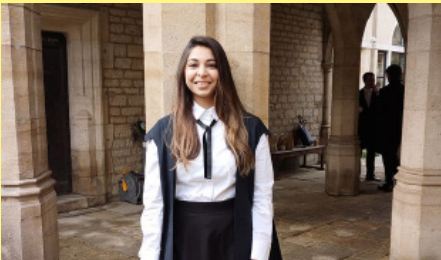

Few JGU students who have done exceedingly well in various fields

Meet JGU Alumni Saishruti Mutneja who is currently working as an Associate at Latham and Watkins (2nd best law firm in the world). She is also a Member of the California Bar. She is highly appreciative of the international opportunities that are made available for students at JGU.

Alumni Atharva Deshmukh is the Head of Research for Net Zero Investor, a London-based financial media brand focusing on climate change & financial markets.

Meet JGU Alumni Manasi Chaudhari who is pursuing her master's in law and finance from University of Oxford. She is also the founder my law firm, MC Legal, which has multiple clients.

Franklin R. Dolo, alumni of the School of Government and Public Polic, is a country coordinator of the International Development Law Organisaton (IDLO).

Students from global universities visit JGU Campus for multiple immersion programmes

O.P. Jindal Global University is glad to have hosted five short term immersion programmes during the months of December 2022 and January 2023.

Students from the University of Sydney, Australia, Monash University, Australia, and Quinnipiac University, United States of America, participated in different immersion programmes.

The programmes were a blend of classroom sessions and field visits relating to the classroom sessions learnt in the programmes.

It also included cultural excursion trips to places like Jaipur, Agra (Taj Mahal), Delhi Haat, among others.

The students had new learning outcomes from the programmes and both the staff and the students relished the cultural immersion aspect of the programmes.

COMING SOON

New places to hang-out at JGU Campus

Whether you're a new student, or you've spent a few semesters here, there is always something new in JGU campus. So as you come in after the semester break, here are few spots that you can check out when free.

Located near SH1, **Amul Tapri** has an elaborate menu - right from coffee to spring rolls and maggi. If you are looking for burgers, **The Egg White**, next to Amul tapri, is the place to be. We also have **Belgian Waffle**, **Baskin**

Robbins, and **Chaayos** coming up near the academic block and a South Indian restaurant **Mahabelli** coming up at the food court area in March.

A fresh fruits shop integrated with the **Amul kiosk** has started behind SH 1 Boys Hostel which will offer food and beverages, ice creams, and fruits.

For the ease and comfort of the students, two convenience-departmental stores **G Fresh** have been started beside the Badminton Court and behind the SH 1 Mens' Hostel.
