5 JGU students make a mark with their community project Khwaab

Five students from the Jindal School of Liberal Arts and Humanities - Manan Singh, Gopika Nair, Anisha Anand, Joann Susan Wilson and Ananya Sampath - initiated a semester-long project Khwaab, through which they worked with government school students in Sonipat for their capacity building and holistic development.

These students have been selected for the Class of 2023 of the UN Millennium Fellowship, which is offered by the United Nations Academic Impact and the Millennium Campus Network.

At the culmination of the project, they hosted students on campus in collaboration with the Hon. Vice Chancellor's Office.

As a part of the project, 37 students and seven teachers from the Government Model Sanskriti Primary & Middle School visited JGU. Here, the students were given a campus visit, followed by an activity of making newspaper bags. The schoolchildren were taught how these bags can replace single-use plastic bags and help in leading a sustainable lifestyle.

2 days of fun and entertainment at JGU Alumni Meet

Walking Down the Memory Lane, Alumni Homecoming 2024 was organised earlier this year by the JGU Alumni Office.

Several former JGU students came together to commemorate their happy

memories of the university. A cricket match, dance, music, bonfire night, and other events were among the many activities planned for the visiting alumni. An alumni states, "We relived our time at JGU."
