Venue: Food Truck

Time: 6pm to 11pm

26-27 AUGUST

Esports Event

Venue: Food Truck

Time: 6pm to 10pm

31 AUGUST

Expressions

Venue: Across JGU

Time: 4pm to 10pm

JGBS event showcases diversity of clubs

Abhivyakt: The JGBS Fiesta was a vibrant club fair that brought together the diverse clubs from JGBS—from HR and Leadership to Finance, Entrepreneurship, ZAMAC, and Sports—to introduce

themselves to the freshers through engaging activities and spontaneous performances.

The Kala Club added a creative touch with dance, singing, a powerful Nukkad Natak on online scams, and

a display of seniors' art and photography. The freshers brought incredible energy, making the event a lively and unforgettable welcome, capped off with an exhilarating dance party to celebrate their arrival into the JGBS family!

BUDDY PROJECT: THREE DAYS OF FUN AND LEARNING FOR FRESHERS

Buddy Project, organised by the JGU Student Council and the Office of Student Affairs, was designed to familiarize incoming students with the social, cultural, and academic climate at JGU, helping them transition smoothly into academic and social life.

The initiative, having drawn inspiration from the 'Orientation Week' that takes place across universities, is unique in India as it caters to the huge number of

students from diverse backgrounds and takes a holistic approach to familiarize them with the wider JGU Community through institutionalized means.

The three-day program included a variety of activities aimed at familiarizing freshers with the campus, academic expectations, available resources and social opportunities. Interactive games, a scavenger hunt, open mic etc were also a part of the program.

The 3-day program included a variety of activities aimed at familiarizing freshers with various university values

The programs were facilitated through mindful interactions and workshops, which shall help in creating a conducive environment in the university space.
