JGU | O.P. JINDAL GLOBAL INSTITUTION OF EMINENCE DEEMED TO BE UNIVERSITY

A Private University Promoting Public Service

O.P. Jindal Global University (JGU) is a multi-disciplinary and research oriented university founded in 2009. JGU is a non-profit global and research focused university. JGU maintains a 1:9 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience.

With over 10,000 students and 1000+ full time faculty members, studying and living on a fully residential campus, JGU's twelve schools focus on Law, Business & Management, International Affairs, Public Policy, Liberal Arts & Humanities, Journalism, Art & Architecture, Banking & Finance, Environment & Sustainability, Psychology & Counselling, Languages & Literature and Public Health & Human Development. Over the last decade, JGU has grown into an institution that brings full-time faculty from over 45 countries in the world, students from 35 countries and has collaborated with over 375+ leading institutions in 65+ countries to bring international learning experiences to the Indian higher education system.

JGU has been ranked as India's Number 1 Private University for three years in a row by the prestigious QS World University Rankings 2023, and is ranked among top 700 universities of the world in QS World University Rankings 2023. JGU has been recognised among the Top 150 universities globally under the age of 50 years by the QS Young University Rankings. JGU has also been recognised in the Top 500 Universities as per the QS Graduate Employability Rankings 2022.

The Jindal Global Law School has been ranked as India's Number 1 Law School for three years in a row and also ranked as the world's 70th best Law School by the QS World University Rankings by Subject 2022. In 2020, JGU was recognised as an 'Institution of Eminence' by the Ministry of Education, Government of India.

Messages from the Leadership

Welcome to O.P. Jindal Global University - A Private University Promoting Public Service. The University has consistently affirmed the ideas of interdisciplinary education, diversity, inclusivity, and excellence in our pursuit of knowledge. It is my pleasure to share with you that JGU has been recognized as an Institution of Eminence (IoE) in 2019 by the Government of India, awarded many prestigious global recognitions including the QS 'Young University Rankings' 2022 that ranked the global top 150 amongst all universities under 50 years of age and India's No. 1 university dedicated to Social Sciences, Arts and Humanities. This journey has seen JGU expand over twelve Schools and three Institutes. One of these Institutes, Jindal Institute of Behavioural Sciences has established a strong foundation of behavioural sciences research and teaching at JGU. I am delighted to invite you to be part of the institute's commitment to educating young thought leaders through their post graduate programs.

PROF. (DR.) C. RAJ KUMAR

Vice Chancellor,
O.P. Jindal Global University

PROF. OF EMINENCE (DR.) SANJEEV P. SAHNI

Founder & Principal Director, JIBS, Professor & Member,
Governing Body and Advisor to the Vice Chancellor,
O. P. Jindal Global University,
Vice President, World Society of Victimology (WSV)

Welcome to the Jindal Institute of Behavioural Sciences – a value-based research institute at JGU and a member of the Academic Council on the United Nations System (ACUNS). JIBS is dedicated to engaging in behavioural science research that is multi-disciplinary and empirical in nature, leveraging on the university's internationally accomplished faculty and innovative interdisciplinary curriculum. Students in our post graduate programs will benefit from this strong culture of interdisciplinary research and learning, practical exposure and hands-on application. Our teaching and learning is characterised by a strong commitment to pushing the boundaries of excellence at the interface of psychology, rehabilitation, and allied behavioural science disciplines. I invite you to consider becoming a part of the vibrant JGU student community.

Welcome to the Jindal Institute of Behavioural Science, an institution of excellence in research, academics, and capacity-building in the domain of behavioural sciences and psychology. Since its inception in 2014, JIBS has successfully attained several coveted milestones and generated meaningful community impact. The faculty at JIBS are thought leaders in areas that matter, and impact the dynamic world of human behaviour and cognition. Our pedagogy, research, and capacity-building efforts are characterised by a strong commitment to reimagine contemporary challenges and solutions, and push the boundaries of excellence. I invite you to be a part of the ongoing legacy of JIBS, and contribute to this vibrant community of scholars.

DR. PULKIT KHANNA

Associate Professor & Vice Dean,
Jindal Institute of Behavioural Sciences, JIBS
O. P. Jindal Global University

JINDAL INSTITUTE OF BEHAVIOURAL SCIENCES

JINDAL INSTITUTE OF BEHAVIOURAL SCIENCES

ESTABLISHED 2014

(Member of the ACUNS)
Academic Council on the United Nations System

Jindal Institute of Behavioural Sciences (JIBS) is a value-based research institute of O.P. Jindal Global University. It is a member of the prestigious ACUNS (The Academic Council on the United Nations System). JIBS is dedicated to understanding, developing and applying human process competencies through continuous experimentation, research and learning related to behavioural sciences. JIBS pursues and propagates fundamental research and innovation in understanding human behaviour. It works with top researchers from various disciplines, both locally and internationally, to address critical issues in human behaviour from a multidisciplinary perspective. At JIBS, we believe in active learning through a participatory approach to deal with academics, and planning of individual or community service needs. We engage in high quality research of social-psychological, bio-psychological and legal-psychological significance.

Why Enroll @ JIBS

Jindal Institute of Behavioural Sciences (JIBS) is research-led, future-oriented institutions focused on developing a new generation of thought leaders and practitioners in the fields of Psychology and Rehabilitation.

WORLD-CLASS FACULTY

Rich academic, industry and research experience with publication record

DIVERSE SPECIALIZATIONS

Informed by industry, academic and research experts

EXPERIENTIAL AND SKILL-BASED LEARNING

Life skill based courses with laboratory & community integrated hands-on exposure

INTERNSHIP OPPORTUNITIES

Active support from JGU Office of Career Services

INTERDISCIPLINARY LEARNING

Interdisciplinarity within & beyond the classroom

INTERNATIONAL COLLABORATIONS

Institutional and faculty collaborations, and student mobility opportunities

M.A./M.Sc. APPLIED PSYCHOLOGY

Overview of Curriculum*

To graduate, a student must complete the following:

- A minimum of 92 credits which includes a combination of core courses, electives, dissertation, and internships.
- 3 mandatory internships (4 credits each) during summer/ winter break across 1-4 Semester.
- A dissertation worth 8 credits by the end of Year 2.
- Specialization electives worth 8 credits (details under section - Semester 4).
- Specialization electives to be chosen after 1st semester.

YEAR 1

Comprising foundational and core curriculum to facilitate all students from different streams

SEMESTER 1

CREDITS (21)

Foundations of Applied Psychology: History and Systems	4
Developmental Psychology	4
Social Psychology	4
Research Methods-I	4
Topics in Applied Psychology	3
Practicum-I	2

SEMESTER 2

CREDITS (23)

Cognitive Psychology	4
Psychology of Mental Health	4
Personality	4
Research Methods- II	4
Advanced Statistics	3
Academic Writing	2
Practicum-II	2

Specialization details are explained on pages 7, 8, and 9

* The above information will be subject to periodic review and change.

COMMUNITY PSYCHOLOGY

The aim of this specialization is to prepare students to decipher relationships between people and their social or ecological environment. This stream will maintain a strong interdisciplinary emphasis and recognise the contributions from areas such as applied anthropology, applied sociology, community health, geography, and the policy sciences. Prospective students will further develop their understanding of social and community research by exploring the basis of social behavior and social relationships. Opportunities will be provided to engage in practical analysis of both local and international groups and communities with the help of analytical tools drawn from across the social sciences. Further, training imparted will also help students to develop awareness of the critical perspectives on knowledge creation and the development of analytical skills in research and practice. As such, students can expect to deploy the knowledge of basic social psychological processes for formulating solutions to address societal problems and other issues of import to the communities.

YEAR 2

SEMESTER 3

CREDITS (18)

Introduction to Community Psychology	4
Understanding Diverse Communities	4
Evidence & Action Based Practices	4
Health Psychology	4
Working with Community - Practicum 1	2

SEMESTER 4*

CREDITS (18)

Students may take specialization electives (min. 8 credits) after semester 1

Disaster Management	2
Psychology and Law	2
Building Sustainable Communities	2
Peace Building and Conflict Management	2
Cross Cultural Psychology	2
Social Capital	2
Indigenous Knowledge Traditions for Community Development	2
Working with Community - Practicum 2	2
Dissertation	8

*This is a non-exhaustive list. The above information including the availability of electives mentioned will be subject to periodic review, availability, and change.

FORENSIC AND INVESTIGATIVE PSYCHOLOGY

The main aim of this advanced course in Forensic & Investigative Psychology is to provide a comprehensive understanding of the aetiology of criminal and investigative behaviour from a psychological perspective. By combining psychological theory, clinical practice, research-led teaching and hands-on laboratory experience, the program introduces the students to various aspects of the intersection of psychology and law. The curriculum is designed to meet the current issues in crime and justice and prepare students to address them from an interdisciplinary depth. Experts in criminal psychology, forensic sciences and criminology will offer lectures, discussions and debates around some pertinent modules.

YEAR 2

SEMESTER 3	CREDITS (18)
Criminal Psychology	4
Psychology In The Courtroom	4
Applied Forensics In Criminal Justice System	4
Rehabilitation And Correctional Psychology	4
Practicum-I	2

SEMESTER 4*	CREDITS (18)
<i>Students may take specialization electives (min. 8 credits) after semester 1</i>	
Psychology of White-Collar Criminals	2
Terrorism & Organised Crime	2
Investigative Psychology in Complex Crimes	2
Conservation Psychology	2
Forensics and Police Administration	2
Fraud Examination	2
Gender based Violence and Intervention	2
Practicum-II	2
Dissertation	8

*This is a non-exhaustive list. The above information including the availability of electives mentioned will be subject to periodic review, availability, and change.

INDUSTRIAL AND ORGANIZATIONAL PSYCHOLOGY

The industrial and organizational psychology specialization provides specialist knowledge and hands-on skill to assess individual, group, and organizational dynamics in the workplace and apply psychological principles and theories to workplace settings to improve organizational performance while also enhancing employee well-being. This specialization equips the learners with the ability to research and offer solutions to acquire, appraise, develop, engage and retain talent better. The wide range of learner-centric pedagogies coupled with the vast industry experience of faculty ensures effective actionable learning. The industry-aligned curriculum prepares the graduates to contribute to their respective roles from day one.

YEAR 2

SEMESTER 3

CREDITS (18)

Acquiring Talent Effectively	3
Managing People and Performance	3
Leveraging Learning for Talent Development	3
Organization Theory, Design & Change	4
Decoding Workplace Team Dynamics	3
Practicum-I	2

SEMESTER 4*

CREDITS (18)

Students may take specialization electives (min. 8 credits) after semester 1

Employee Engagement	2	Innovation at Workplace	2
Cross-cultural Management	2	Occupational Health and Safety	2
People Analytics	2	Learning Organizations	2
Developing and Implementing Competency Models and Assessment Centres	2	Compensation Strategies & Retention Management	2
Consulting and Project Management	2	Quality of Work Life, Employee Well-Being, & Stress Management	2
Practicum-II	2		
Dissertation	8		

*This is a non-exhaustive list. The above information including the availability of electives mentioned will be subject to periodic review, availability, and change.
