**Prof. Kewal Singh**  
Ph.D ( IIT Kanpur)

# B.A. (HONS.) FINANCE & ENTREPRENEURSHIP

B.A. (Hons.) Finance and Entrepreneurship is India's first flagship programme, which provides experiential learning to students interested in developing their skills in the field of finance and entrepreneurship. The students will learn the nuances of various entrepreneurship activities and the role played by finance as a discipline to make new ventures successful. The programme enables students to develop different skills that are highly sought-after in the industry and help build a good career in the fields of finance and entrepreneurship. The programme extensively focuses on the different tools and techniques required to launch and build new ventures and the different financial skills required to make the new and existing ventures successful. This will help the students develop skills to manage small and family businesses.

## DISTINCTIVE FEATURES

- A nuanced understanding of issues at the intersection of finance & entrepreneurship.
- To comprehend the key drivers of success and failure of new ideas & ventures in India.
- To grasp the financial needs of new ventures and to understand underlying financial risks.
- To appreciate the role of digital financial platforms for entrepreneurship and intrapreneurship.
- Mastering tools of managing finance including working capital, cash flows and venture capital.
- Learn the craft of communication, people management, marketing strategies and legal pitfalls.
- Become familiar with the process of creating new products and services around digital finance.

## CAREER OPTIONS

Apart from launching their new ventures, the students can go for working with various start-ups, small and family businesses.

Students can pursue higher education after this program from India and abroad.

The students can also work with existing business in different capacities including entrepreneurial finance and relevant laws, accounting systems for new ventures, digital and computational finance, financial consulting etc.

Course  
Duration:

**4 Years**

Programme  
Fee:

**₹ 4,00,000/-** per annum\*

Residential  
Fee:

**₹ 3,10,000/-** per annum\*

\*The programme fee and residential fee are subject to an annual increase of upto 10%.

## PROGRAMME HEAD

"This program provides experiential learning to students interested in developing their skills in the field of finance and entrepreneurship. The students will learn the nuances of various entrepreneurship activities and the role played by finance as a discipline to make new ventures successful."

**Prof. Shivangi Gupta**  
FPM Candidate (IIM Calcutta)

A career in finance is becoming more exciting than ever before! It combines a few of the most rapidly evolving industries, including banking, financial services, and digital technologies. Indian capital markets have been growing continuously over the past few decades, creating significant career opportunities for your graduates. To cater to this growing need of professionals in the Indian capital markets and financial services sector, B.Com. (Hons.) in Capital Market is jointly offered with NSE Academy. The programme enables students to develop skills to secure various career opportunities emerging in the field of finance, including financial services and capital markets.

## DISTINCTIVE FEATURES

To prepare students for global careers in finance and capital markets.

Ensures that students learn with real market data

Earn industry recognized certifications and skills

■ Become financially independent

■ Be ready for opportunities in ongoing fintech revolution in India
