What makes a Good Leader

by

Mr. Arun Malhotra

Mr. Arun Malhotra graduated from IIM-Calcutta in 1983 and since then has managed numerous assignments and roles in leading companies. His last assignment in the corporate world was Managing Director Nissan India.

He became a part of the automotive industry when it was at a very nascent stage in India and over the past 3 decades, he has played an integral role in the establishment and growth of the industry. He has worked with Bajaj Auto, Maruti Suzuki, Mahindra & Mahindra and Nissan India.

His career in the field of sales and marketing has made him travel the length and breadth of India. He has been deeply involved in areas such as brand building, strategic marketing, retail network development, rural marketing as well as formulating strategic insights for the development of the industry at large. He has also attended executive management programs at world-renowned institutions such as Harvard Business School and Kellogs School of Management. He is a member of the Executive Council of SIAM which is the think tank of the Auto Industry.

Mr. Malhotra has now embarked on a new chapter in his life where he will be engaged in strengthening industry academia interface, which is the need of the hour. His work will include management lectures in prominent management institutions and forums. He will continue to be involved in setting the agenda and policy making for the auto industry.
