About East China University of Political Science and Law (ECUPL)

Founded in 1952, East China University of Political Science and Law (ECUPL) is one of the first group of higher learning institutions of politics and law established by the new People's Republic of China and it used to be one of the higher learning institutions of the Ministry of Justice of PRC. Through the efforts of several generations, ECUPL has gradually developed into a multidisciplinary university of economics, management, finance, foreign languages, etc. with focus on law. ECUPL now has two campuses respectively in Changning District and Songjiang District, covering an area of 1,064 mu and a total building area of 240,000 square meters. At present, ECUPL has four LLD programs, i.e. legal historiography, criminal jurisprudence, economic jurisprudence, and international law, and nine LLM programs of law, i.e. theories of law, legal historiography, constitutional jurisprudence and administrative jurisprudence, criminal jurisprudence, civil and commercial jurisprudence, procedural law, economic jurisprudence, international jurisprudence, environment and resources protection jurisprudence and one LLM program of professional law and on-the-job students are accepted to pursue doctor and master degrees. ECUPL has 22 majors for bachelors, i.e. law, economics reconnaissance study, finance, administration, English, Japanese, international business and trade, sociology, public security labour and social security, frontier defence management, politics and administration, journalism, public affairs administration, accounting and intellectual property, information science and technology, business administration, cultural industry management, Chinese literature, social work, among which the law major offers undergraduate programs intended for a second bachelor degree in law. International economic law and history of law are the key subjects assigned by the Ministry of Justice, and the subject of law is the key subject by the local government. It also has more than 30 research institutions, studying ancient Chinese legal documents, juvenile delinquency and so on. ECUPL has established cooperative relationship with more than 100 overseas colleges and universities, research institutions and legal institutions in the country. There are about 800 faculty members, among whom more than 400 are teaching and research staff and more than 160 are professors or associate professors, and over 10,000 students. ECUPL has become an 'oriental pearl in the law education', which makes a great contribution to the socialistic legal construction and modernization construction by bringing up more than 40,000 high-level talents of law for the party and the country.

About O.P. Jindal Global University (JGU)

O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. Recently, the O.P. Jindal Global University has been awarded the highest grade 'A' by the National Accreditation & Assessment Council (NAAC). The mission of JGU is to promote global courses, global programmes, global curriculum, global research, global collaborations, and global interaction through a global faculty. JGU is situated on an 80-acre state of the art residential campus. JGU is one of the few universities in Asia that maintains a 1:13 faculty-student ratio and appoints faculty members from different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive University, which has established several research centres. JGU has established six schools: Jindal Global Law School (JGLS), Jindal Global Business School (JGBS), Jindal School of International Affairs (JSIA), Jindal School of Government and Public Policy (JSGP), Jindal School of Liberal Arts & Humanities (JSLH), and Jindal School of Journalism & Communication (JSJC).
